*Sheringham* is a pleasant seaside town with rail and coach services, in addition to local buses.

The town flies the Blue Flag Award indicating excellent water quality for water sports. The firm golden sands are excellent for beach games and activities. Local wood and heath land provide ample opportunity for walks and wide games, while the cliff walks are a part of the Norfolk Coast Path. The local "Splash" is a leisure pool facility complete with water slide and waves. There are outdoor activity centres nearby which offer short programmes and other sports facilities are available to hire locally.

*Local Attractions* are shown on the map:

The North Norfolk Coast is designated as an Area of Outstanding Natural Beauty. There are several National Trust properties nearby.

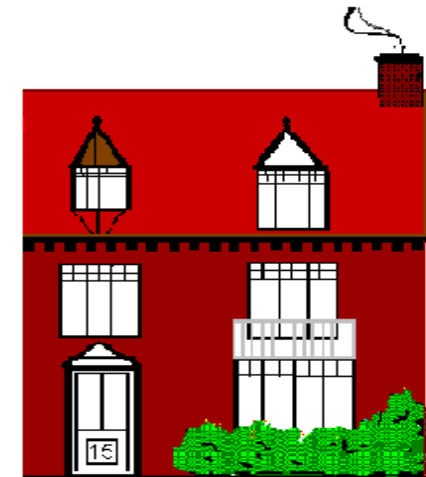

Further afield the Thursford Organ Collection, the Norfolk Broads, Walsingham, and the cathedral city of Norwich are just a few of the many places within easy reach of Sheringham.
